

Privacy Policy for Easy Work Shift

Effective Date: August 18, 2025

Thank you for using Easy Work Shift App. Your privacy is important to us. This Privacy Policy describes how Easy Work Shift App collects, uses, and protects your information.

1. Information We Collect

We do not collect personal information directly. However, we use third-party services that may collect limited data for the purpose of improving the app and displaying ads:

a) Google Analytics

We use Google Analytics to understand how the app is used (e.g., which screens are visited most).

That may collect device information, app usage data, and technical identifiers (such as your Android ID).

Data is used only in aggregate to improve app functionality.

b) Advertising (AdMob or similar)

Ads may be shown in Easy Work Shift App. Ad providers may use cookies or mobile identifiers to serve personalized or non-personalized ads.

These providers may collect device information, app interactions, and limited identifiers for ad targeting and reporting.

2. Data Storage

We do not store any of your task data on external servers.

Your tasks and settings remain locally on your device.

3. Permissions

Easy Work Shift App may request minimal permissions needed for its features to work, but does not access sensitive personal data (like contacts,

location).

4. Children's Privacy

Easy Work Shift App is not intended for children under 13. We do not knowingly collect any personal data from children. Parents who believe their child may have provided information should contact us.

5. Your Choices

You may disable personalized ads by adjusting your device settings or using privacy tools. However, ads may still be shown in a non-personalized manner.

6. Changes to This Policy

We may update this privacy policy. Changes will be posted here with a new effective date.
